Rotary and Kailua Rotary-sponsored "Team AHEAD," a group of 10 volunteers on another trip to Tanzania this July, the purpose of their trip is to provide education and support for some of the poorest children in the world. The team is made up of volunteers from around the world, including doctors, nurses, and other professionals.

The trip will include providing primary and secondary education, as well as health care and support for the Tanzanian children. The team is sponsored by the Rotary and Kailua Rotary clubs and is expected to arrive in Tanzania in early July.

"We are excited to be able to provide these children with the education and support they need," said David S. Wilson, president of the Kailua Rotary club. "This trip is a wonderful opportunity for us to give back to the community and help those in need."
