
ANDREW DELLA CASA

TRUSTEE OF ADARA DEVELOPMENT (UK)

A law graduate from Oxford University with over 30 years in the financial sector, Andrew joined Deloitte Haskins & Sells prior to moving to Samuel Montagu and later to Midland Montagu, where he held increasingly senior roles in banking, capital markets and investment management.

In 1993 Andrew established the European investment management arm of American Phoenix prior to founding Alladdin in 1997 (a digital payment processing provider), The Wine Investment Fund in 2003 and The Wine Enterprise Investment Scheme in 2012.

Andrew is an adviser and investor in agribusinesses in Latin America and holds or has held directorships in a number of investment funds and European pension fund and fund management companies.
